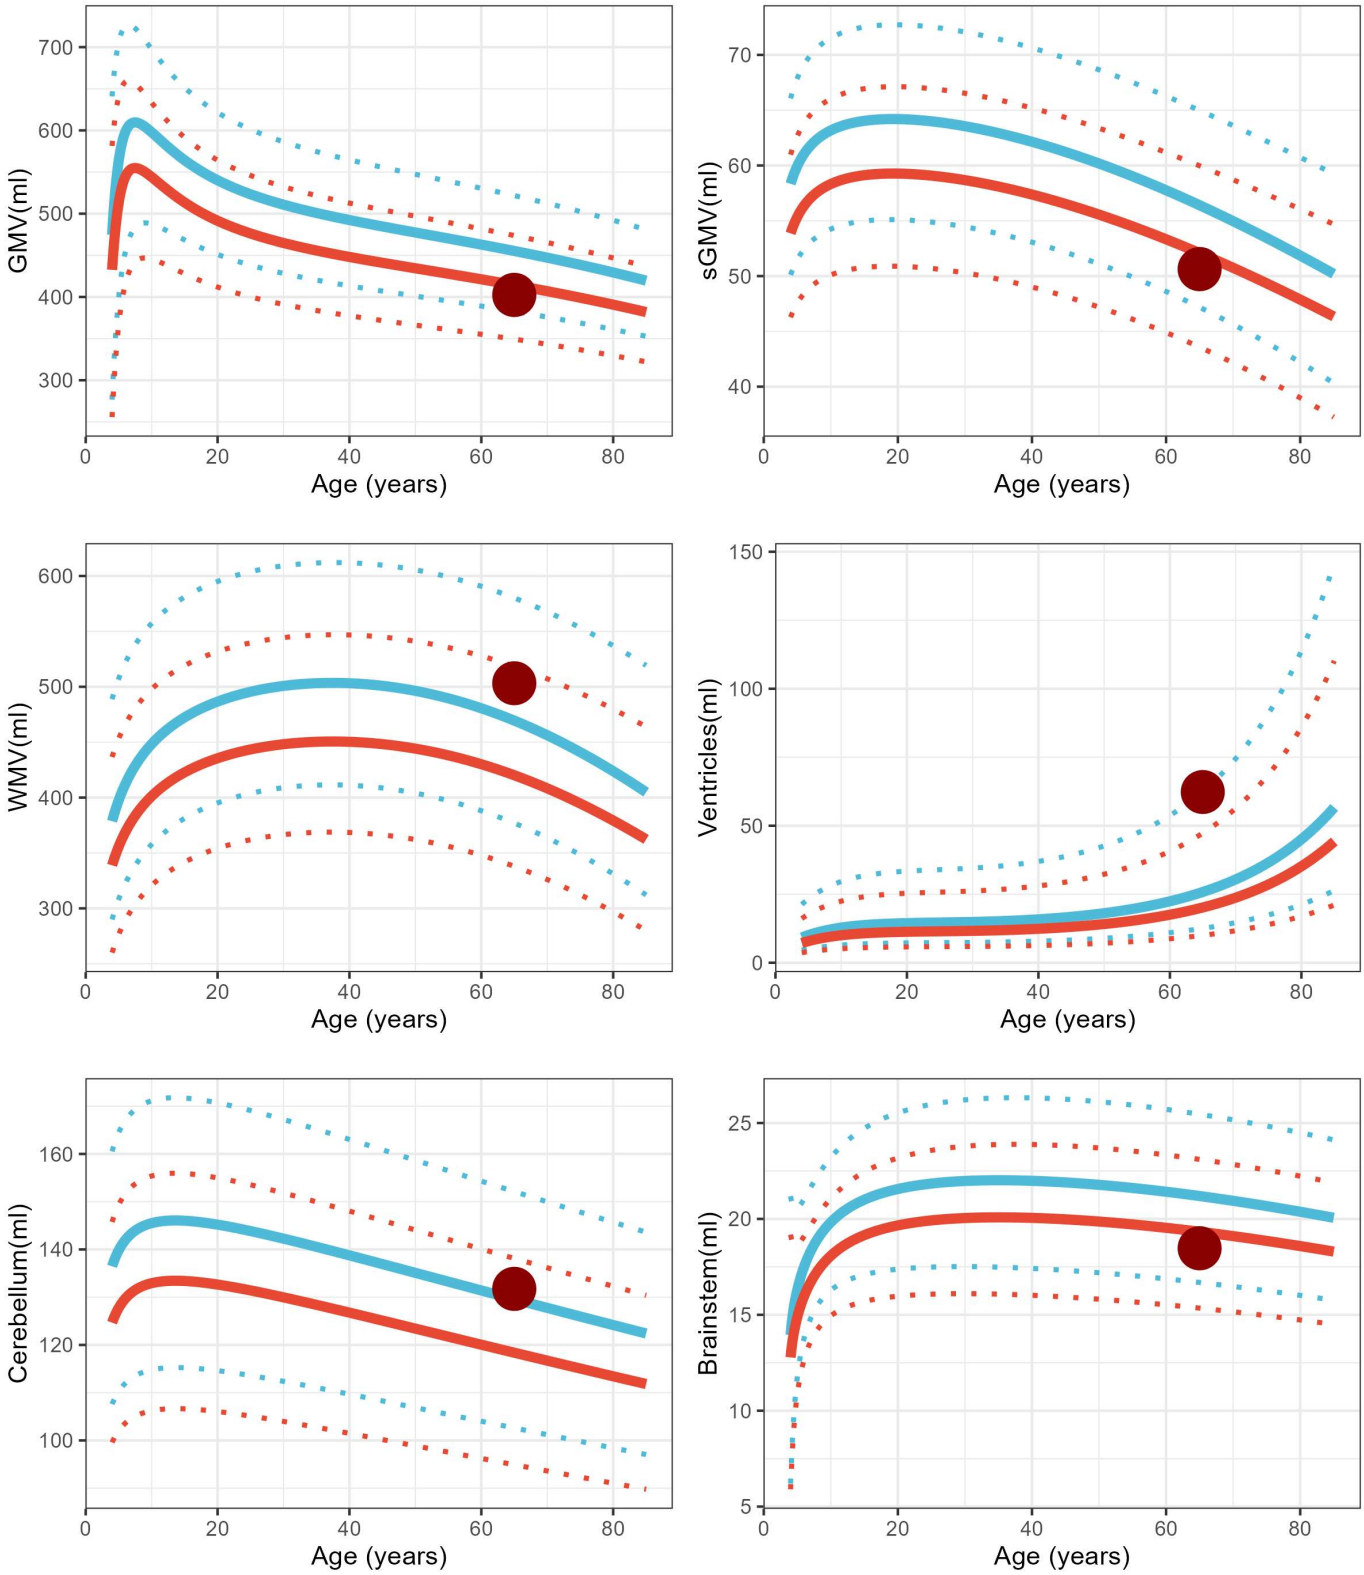
Brain Health Report

2025-02-20

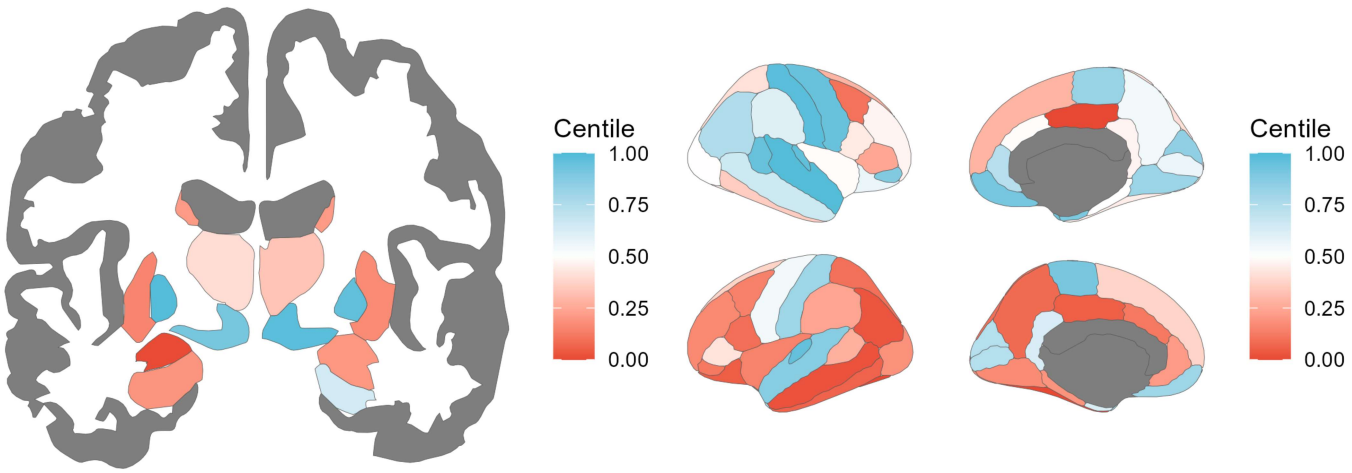
Deviation of global features:

lightblue=Male,darkred=Female,soldline=Meidan,dottedline=95%CI



Deviation of local features:

lightblue=supernormal,darkred=abnormal



Summary of global and local features:

lightblue=supernormal,darkred=abnormal

	Volume.ml.	centile
GMV	402.45	0.36
